Tragio Affair in Wexford.

A very sad and tragic occurrence has At the public meeting in Drogheda on Saturday, the mayor presiding, it taken place near Murrintown, some six miles from Wexford. It appears on Saturday, the mayor presiding, it that a couple of days ago a young lady, aged 21, the younger daughter of a well-to-do farmer named Richardson, his return from America.

A committee has been appointed to A committee has been appointed to make arrangements for the holding of an agricultural and industrial show at at Oldcastle in November.

The Unionist majority on the register for Armagh Urban district and the County Council division of Omagh has been converted into a Nationalist majority.

Edward Carson, M. P., writes that as much as he detests Home Rule, he would prefer it to the impracticable as emisation in the neighborhood and in

proposals of the Irish Reform associa- Wexford town, where the deceased and

The owners of an English steam trawler was fined £20 and costs and Bantry Petty Sessions for fishing three miles within the prescribed limits in Bantry Bay on the 20th September.

Seventy-six students, of whom five were professors in colleges, attended the course of instruction at the Munsier Training College for Gaelic teachors this year.

Wexford town, where the deceased and her family were well known. At the inquest heid by Mr. Peter French, M. P., coroner for South Wexford, a very dict of "found drowned" was returned. Our reporter wiring from Galway on Sunday evening says.

Today the foundation stone of the new church of St. Enda was laid at Spiddisl by the Most Rev. Dr. MacCormack, bishop of Galway, in the presence of a very large gathering of nearly was returned. Our reporter wiring from Galway on Sunday evening says:

Today the foundation stone of the new church of St. Enda was laid at spidial by the Moet Rev. Dr. Mac-Cormack, bishop of Galway, in the presence of a very large gathering of people, many of whom travelled from the Cittle of the Tribes to Spiddal for Damage to the amount of £1,000 was caused by a fire which broke out in Dunraven Castle on Saturday evening. It is conjectured that the fire originated through the bursting of a lamp.

At Kingstown on Monday a case came up in which a person had to pay rates for seven months. a period in which there was no occupant. The magistrate said there was no remedy.

Negotiations have begun for the sale 6. the Silge perion of Lord de Freyne's estate. The tenants are offering 21 1-2 years' purchase of non-judical rents, and 24 1-2 years' purchase of others.

It was decided at a meeting of the rent the history of waterford, the Most content of the rent only Catholic, but also Gaelic speaking, and as the popular and energetic parish priest, the Very Rev. Father Conroy, said today, there is no need to speak of a revival of the brish language in Spiddal, for at the present time Gaelic is the language of the home, the Catechism, the school, the market place, and the church.

New College at Waterford.

Speaking at the opening of the new Science college at the Ursuline con-vent the bishop of Waterford (the Most Rev. Dr. Sheehan) said that the Ursu-A limited company is being formed by the Limerick. The profits of this year's exhibition amounted to nearly £200. Limerick. The profits of this year's exhibition amounted to nearly £200.

At Crossmagien, County Armagh, on Thursday, a blind man mamed Hearty, formerly a miner, murdered his wife in a fit of jealousy, and then cut his own throat, but his injuries are not regarded as serious.

The scheme for the establishment of a Gaelle Training School for teachers in Commacht has been approved by his Grace the Archbishop of Tuam, and the constitution of the managing committee agreed to.

The Belfast Teachers' association has adopted a series of important resolutions re national education, amongst them one protesting against the allenation of any portion of the equivalent grant from the purpose for which it was originally intended.

On Tuesday an inquest was held at Enniskillen on the body of a railway guard named Irvine Brown, who was crushed to dearth the previous night while engaged in shunting operations. lose as long as it remains an experi-ment." That was practically the condi-tion of things which has given rise to the existence of that school. He had the existence of that school. He had only to add, in reference to the department, when it came to the resolution to aid the Technical college for domestic economy by establishing it, there the department said very rightly. "If we have the right to provide for the Catholic, we have the right to provide for the Protestants, and accordingly it was decided to establish two schools in Ireland, one in the north for Protestants, and another in the south for Catholics. It was to be hoped that those who cried so loudly in recent years in every part of the country for instruction of this kind would support the school how that it was established. If it should not succeed, then the people would only have to blame themselves. The professional classes and selves. The professional classes and the others who desired to have their daughters trained in household management need not fear to commit their training to the hands of those in charge of these schools. His lordship

concluded by paying a warm compli-ment to the educational work of the
